3. **Nominated by:** _____

Recommendation

Criteria for award of Research Fellow status

- Demonstrable record of excellence in a discipline of direct relevance to the ATPS mission
- Track record of collaboration with ATPS, including leading bids which include ATPS staff as collaborators

Privileges open to Research Fellows

- Right to refer to award of status as Research Fellow
- Access to both the internet and the intranet from within ATPS Secretariat and an ATPS E-mail account (granted at the discretion of the Executive Director)
- Opportunity to include bio data on ATPS website
- Receipt of all newsletters, Fact Sheets, Annual Reports
- Potential collaboration in ATPS programmes

Procedure to be followed for recognition

- The number of Research Fellows will be limited (usually no greater than 20)
- **Nominations (including full CV) to be submitted by e-mail: info@atpsnet.org**
- Full case to be supplied by nominator, including names of 3 referees whose opinions will be sought before case goes to the Nominations Committee
- Nominations will be considered by the ATPS Fellowship Committee and passed to the executive Director for approval.
